# HEAVY-DUTY ALUMINUM UTILITY CARTS

## For Multi-Purpose Back-Up

### “UC-AL SERIES”

UC-72-609AL

UC-72-512AL

# Aluminum

**Economical and functional aluminum transport for bussing and storage.**

These sturdy aluminum utility carts provide an economical solution for your transport and storage needs. Originally designed for the setting-up and bussing of banquets, the FWE Queen Mary is also ideal for general transportation of heavy loads or extra shelf space.

The Aluminum Queen Mary cart is fabricated from high tensile extruded aluminum and .090 aluminum sheet. Mounted on NSF approved 8" x 2" polyurethane casters, the overall capacity for this cart is 2000 lbs.!

Five and six shelf models are standard, as is a full wrap around perimeter bumper. FWE...the "Choice of the Professionals."

- ◇ Heavy-duty aluminum
- ◇ All welded construction - no rivets
- ◇ Welded tubular construction
- ◇ Full extension bumper
- ◇ 8" polyurethane casters
- ◇ Choice of shelf flange - up or down
- ◇ Two year limited warranty
